Dear Ross

RE: 2001 Goodwill Games Brisbane Limited

On behalf of the 2001 Goodwill Games I want to thank you and commend you for the outstanding job you did on behalf of CoachTrans in respect of the delivery of transport services Games.

The attention to detail, thorough documentation and dedication to the job were invaluable to ensuring that not one athlete, one VIP or one Games Family member missed their bus, or more importantly, their competition.

I would have no hesitation in recommending CoachTrans as well as yourself for future projects.

Good luck in future endeavours.

Yours sincerely

Clint Flood
